POSITION DESCRIPTION

Case Manager Cassowary Coast Intensive Family Support Service

PURPOSE

The Cassowary Coast Intensive Family Support Service assists vulnerable families to address complex needs and build their capacity to safely care for and protect their children.

The Case Manager will use sustained engagement, intensive case management frameworks and in-home practical support to enable families, at risk of entering the child protection system, to become stronger, capable and more resilient.

ACCOUNTABILITY

To the Team Leader Cassowary Coast Intensive Family Support Service.

SALARY AND CONDITIONS

Permanent Full Time

HOURS: 38 Hours per Week

SALARY: Level 4.1 SCHCDSI Award (\$36.62 /hr)
+ Salary sacrificing benefits available

SCOPE

The position will provide early intervention within an intensive case management framework; coordinating every phase of casework for families from the point of referral to exit, with a view to supporting vulnerable families to become stronger, capable and more resilient.

The position will require assertive outreach including working within client's homes.

The position is based at the Community Support Centre Innisfail and will include regular travel throughout the Cassowary Coast to meet client and organisational needs. A work vehicle will be provided for this travel.

Flexible hours of service provision with families, including evening, early mornings and weekends will be occasionally required for engagement and as determined by case plans.

Time Off in Lieu (TOIL) arrangements apply for hours worked outside of nominated hours.

DUTIES

Actively engage families in a timely manner including assertive outreach and conducting cold calls and appointments with consenting and non-consenting clients

Identify family strengths and needs using Service specified assessment tools

Conduct family risk assessments and safety planning in accordance with Service policies and procedures

Develop case plans that address parenting concerns and child well-being, in collaboration with families and all agencies engaged with the family

Within a family strengths practice and evidence framework provide intensive, lead case management for clients, that results in definable and measurable change in family safety and wellbeing, parent strengths, attitudes, behavior, skills, knowledge and ability

Make effective, supported referrals for client families to meet their identified needs

Maintain active links and coordinate case plan meetings with other services that form part of the family's case plan

Provide practical in home and/or centre based support in areas identified in case plans, such as budgeting, parenting, household routines, and daily living skills

Review case plan progress and initiate exit strategies in a 'step down' process

Maintain accurate, up to date and appropriate client records including assessments and case plans, statistics and reports on specified formats and in relevant databases

Ensure all assessments, referrals and support strategies are conducted to relevant standards and compliant with legislation, organisational policies, funding guidelines and culturally appropriate models

Maintain professional and ethical work practices, knowledge and skills and participate in professional development activities

Participate in regular supervision with the IFS Team Leader or their delegate and attend staff and team meetings as required

Contribute to Service development as directed by IFS Team Leader, and fulfil other tasks as reasonably directed by the IFS Team Leader or CSCI Manager

SELECTION CRITERIA

Applicants who do not address the Selection Criteria may not be interviewed
